

OUTDOOR CENTRE & CLUB EQUALITY POLICY

What is Sports Equality?

Sports Equality is about fairness in sport; equality of access; recognising inequalities and taking steps to address them. It involves changing the culture and structure of sport to ensure it becomes equally accessible to all members of society and ensuring that everyone has the opportunity to realise their talent and full potential.

Equality Policy Statement

Phoenix Canoe Club Limited is fully committed to the principles of equality of opportunity and aims to ensure that everyone has a genuine and equal opportunity to participate in Paddlesport at all levels and in all roles of the sport, irrespective of their age, gender, ability, disability, religion, race, ethnic origin, nationality, colour, social status or sexual orientation. This includes members, volunteers, participants, supporters, coaches, officials, job applicants and employees.

The Club & Centre recognises that discrimination is unacceptable and will not tolerate direct or indirect discrimination.

The Club & Centre will take, or support, positive action to eliminate individual and institutional discrimination:

- ✓ The Club & Centre respects the rights, dignity and worth of every person and will treat everyone equally within the context of their sport.

Types of Discrimination

The Club & Centre regards any form of discrimination as serious misconduct and any employee, volunteer or member who discriminates against, harasses or victimises any other person will be liable to appropriate disciplinary action. Discrimination can take the following forms:

Direct Discrimination

- treating a person less favourably than others would be treated in the same circumstances on the grounds of their age, gender, ability, disability, religion, race, ethnic origin, nationality, colour, social status or sexual orientation.

Indirect Discrimination

- occurs when a job requirement or condition is applied equally to all, which has a disproportionate and detrimental effect on one sector of society, because fewer from that sector can comply with it and the requirement cannot be justified in relation to the job.

Harassment

- described as in-appropriate actions, behaviour, comments or physical contact that are objectionable or cause offence to the recipient.

Victimisation

- described as when one person is treated less favourably than others because he or she has taken action under one of the relevant Acts /
